

Sarnico 58 – High quality and care for details

Sarnico 58 represents the best of the shipyard's philosophy: a boat finished with the utmost care, even in the smallest details: high class interiors, use of highest quality materials, particular study of the keel to guarantee exceptional stability in every sea condition and very good performance with traditional propulsion. This boat has been created for enthusiastic connoisseurs and is becoming to be seen as status symbol. The layout, which foresees three huge cabins with en-suite bathroom, is enhanced by spacious sunbathing areas and a huge swimming platform, which allows one to enjoy to the full sea life and water sports.

Technical Specifications

Construction material	GRP
Length o.a.	ft. 57,91
Construction length	ft. 56,92
Beam	ft. 15,09
Draft	ft. 3,94
Displacement dry	lb. 41.888
Engines	2 MAN Diesel 603 kW (820 hp) 2 MAN Diesel 772 kW (1050 hp)
Fuel tank capacity	gal. 729 (820 hp) gal. 661 (1050 hp)
Fresh water tank capacity	gal. 159
Range	10 hours (about 350 n.m.)
Maximum speed	knots 38-42
Cruising speed	knots 34-38
Maximum number of people on board	no. 12
